MEMORANDUM FOR: General Counsel  
FROM: Assistant Director/Personnel  
SUBJECT: Employment of Retired Foreign Service Officers.

1. Reference is made to your memorandum of 23 October 1951. This office feels that clarification of the employment conditions for retired Foreign Service Officers is essential. We appreciate the problems you raise in paragraphs two and three in your referenced memorandum, but from a personnel standpoint, do not feel that these possible objectives outweigh the advantages of definite information on which we can talk to retired foreign service personnel about employment with CIA.

2. Therefore, we recommend that your proposed letter go forward to the DCI for signature, through the DD/A.
